

**UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION**

---

UNITED STATES OF AMERICA,

Plaintiff,

v.

Case No. 09-20191

LARRY MELL McCREARY,

Defendant.

---

**ORDER DENYING WITHOUT PREJUDICE  
MOTION TO EXCLUDE PRIOR CONVICTIONS**

Defendant Larry McCreary has filed the above-captioned motion but has failed to indicate whether or not the contemplated relief would be agreed to by the Government.

Eastern District of Michigan Local Rule 7.1(a) states as follows:

(1) The movant must ascertain whether the contemplated motion . . . will be opposed. If the movant obtains concurrence, the parties may make the subject matter of the contemplated motion or request a matter of record by stipulated order.

(2) If concurrence is not obtained, the motion or request must state:

(A) there was a conference between the attorneys or unrepresented parties in which the movant explained the nature of the motion or request and its legal basis and requested but did not obtain concurrence in the relief sought;  
or

(B) despite reasonable efforts specified in the motion or request, the movant was unable to conduct a conference.

(3) The court may tax costs for unreasonable withholding of consent.

Rule 7.1 plainly requires that the movant make clear that it has conducted the required pre-filing conference in which the nature of the contemplated motion was explained or, in the alternative, what unsuccessful efforts were made to engage in such a conference.

No exception is made for criminal cases. See E.D. Mich. LR 12.1(a). If the Government were to agree, the motion would be mooted. The court discourages motion practice that may be unnecessary and wasteful of court and attorney time. Accordingly,

IT IS ORDERED that the Defendant's "Motion to Exclude Prior Convictions" [Dkt. # 28] is DENIED WITHOUT PREJUDICE.
